To Whom It May Concern:

We are the servicing and monitoring company for the fire alarm system at the property listed above. This system was installed 5/7/2012 and it is monitored twenty-four hours per day by a UL-listed central station described as follows:

Criticom Monitoring Services
2210 Landmark Place
Manasquan, NJ 08736

Each unit has a monitored smoke detector with a sounder that sounds locally in the event of an alarm. Please feel free to contact us if we can be of further assistance.

Sincerely,
